

Key Learning Objectives

- Become more aware of your speaking style.
- Share tools, techniques, and strategies that can accelerate your growth
- Help you develop the speaking skills you wish to master.

Executive Speech Coaching Skills

Course Description

A highly customized one-on-one executive speech coaching program. This focused and specific program builds the self-confidence and credibility needed by influential and confident leaders.

Following a rigorous analysis, a custom program is designed around your strengths and areas to improve. Specific exercises and activities boost speaking weaknesses. Video and audio analysis is made, with a written report, after every session with tips for further improvement.

Program Description

- Option 1 “One month booster” 8 hours
- Option 2 “Three month Impact Coaching” 24 hours
- Option 3 “Six month Rev Up your Life” 48 hours
- Program in Mandarin Chinese and English

Who Should Attend?

- General Managers
- High profile Executives
- Directors
- Senior Managers
