Warwick helps you

Warwick is both qualified and experienced with a proven track record for bringing executives to their full potential.

I help 3 groups of people:

1. Warwick develops **managers** in the key soft skills needed to become effective and productive leaders in an organization
2. Warwick transforms **technical staff** by helping them acquire key skills to lead teams and execute projects more effectively
3. Warwick supports key **service professionals**, such as consultants, analysts, and lawyers, who need to deliver their thoughts concisely and effectively to their target audiences

Track Record

- Doubled size of Toastmasters International in China 2006-7
