## How Warwick Works

Warwick works with groups and individuals to fast track their performance improvement in communication skills. With long term programs and intensive workshops, Warwick maps out a path with milestones so that you know how your skills are improving. Warwick goes the extra mile to support you over the inevitable obstacles.

### Coach - Fast track your executive speaking

Warwick acts as your communication catalyst. Speed up your learning into a confident, sharp communicator.

First, Warwick assesses your strengths and weaknesses. Then, shows you how to prepare presentations in record time and connect with your audience and bring your influencing skills to a higher level.

### Trainer - Engaging practical communication methodology

Good trainers are both educators and entertainers. Balancing lively fun and interaction with solid, tried-and-tested, skill training.

As an entertainer, Warwick is a humorous, sharp and high energy trainer.

Warwick creates a memorable learning experience that is invigorating and empowering. As an educator, Warwick uses a communication methodology which follows a reliable path to your communication improvement.

### Facilitator - Large group, performance improvement

All good leaders, lead through people. Easier said than done. Thousands of meetings end without action. Millions of ideas never get past the talking phase.

Warwick facilitates teams to execute projects more effectively. As an external facilitator, Warwick assists your team to turn their vision into a make it happen plan.

### Speaker – Insights into personal change improvement

Warwick speaks to groups of people across Asia and the Middle East. Warwick's personality and passion connect with all audiences and cultures. His insights into how to change yourself to become a more productive and effective person are unique, and easy to put into practice. Warwick facilitates teams to execute projects more effectively. As an external facilitator, Warwick assists your team to turn their vision into a make it happen plan.
